Become a Partner to Change the World

As you work in your community to spread the message of God's inclusive love, Integrity is working in The Episcopal Church as a whole.

If you agree with us that God's radical welcome includes gay, lesbian, bisexual and transgender persons, you'll want to help Integrity's work to change policy and practice in the church, throughout the nation and beyond.

This is your invitation, your opportunity, to play a substantial role in this churchwide work. Your partnership, expressed through an annual donation to Integrity, opens the door to participation in Integrity's work.

Integrity's voice will be stronger with yours added to it. Read more to see how your church can benefit from this partnership.

Your Parish is invited to become a...

Your parish is a welcoming place for lesbian, gay, bisexual and transgender people.

You're already changing your community by being a witness for God's inclusive love.

Become a partner with Integrity for changing the world through a fully-inclusive Episcopal Church!

About Integrity USA

Integrity is the leading grassroots voice for the full inclusion of LGBT (lesbian, gay, bisexual and transgender) persons in The Episcopal Church.

Founded in 1974 by Dr. Louie Crew, Integrity has grown to become an organization with members across the country — LGBT and straight, clergy and laity, rural and urban, in congregations large and small. Integrity fulfills a key uniting role, seeking to bring together congregations who share the vision of a church in which **all people are welcomed and valued as equal members in the Body of Christ.**

Integrity works for...

- **Change in The Episcopal Church** — Integrity works actively to change national and diocesan policies so that all persons (including LGBT persons) have access to the life, work and sacraments of the Church.
- **Truly welcoming and inclusive local churches** — Integrity works with local parishes to adopt welcome statements that explicitly mention LGBT people (or sexual orientation and gender identity). The parish is then encouraged to continually improve their welcome with Integrity's ideas and resources.
- **Bringing God's love to LGBT persons outside the church** — Integrity is a trusted voice in otherwise secular arenas, sharing the news of a truly inclusive church where previously-rejected people can find God.

Can Other Groups become Partners?

Yes! Organizations, dioceses, and other like-minded groups can be Proud Partners.

Proud Partners (P2's) have the same participation in Integrity's work and organization, while working in areas outside of one local parish.

Proud Partners are also listed on Integrity's website and included in calls, emails and resources.

Take Action

Once you're signed up as a Proud Parish Partner (P3), you can take action to move forward in your parish, your diocese, and the church.

- **Post a P3 logo on your website.** Your visible solidarity with our movement moves it forward, and it shows inclusion-minded visitors that they are welcome.
- **Encourage other local parishes** to become partners. Our voice is stronger with every new partner.
- **Talk to parishioners** about this important work, and encourage them to become individual members of Integrity, to connect them to the work directly.
- If you haven't already, **adopt a welcoming statement** that includes LGBT persons, and register as a Believe Out Loud parish — another mark of a welcoming congregation.

National Policy Change

As The Episcopal Church meets periodically at General Convention, it decides on national policies to help make our churches truly inclusive of LGBT persons.

Your voice in support of full marriage equality, inclusion of transgender persons, an end to bullying, and other important issues will be an important part of making needed change.
